

All about
vehicle care

Everything that drives drive

Whatever the time of year: Car care is always in season. In winter, snow, ice and road salt all take their toll, while in spring, summer and autumn, dirt, pollen and bird and insect droppings cover the paintwork and windows. At the same time, great demands are constantly made on the vehicle interior.

To guarantee that you can calmly meet all these challenges, we have put all our expertise as a global lubricant specialist to work and developed a comprehensive care range for the visual and technical value retention of vehicles.

HOW TO LOOK AFTER YOUR PAINTWORK PROPERLY:

Procedure	Paint type	LIQUI MOLY product
Wash	All paint types	- Car Wash Shampoo
Paintwork care	Colored and metallic paintwork showroom condition, light wear and regularly maintained paintwork	- Gloss Polish - Paint Polishing Cream
	Colored and metallic paintwork dull, weathered, heavy wear and unmaintained paintwork	- Polish & Wax - Paint Cleaner
	Colored and metallic paintwork used for preparing surfaces for painting and for removing paint damage, such as scratches and paint spray dust	- Paint Cleaner - Grinding Paste
	Metallic paintwork showroom condition paintwork	- Metallic High Gloss
	Metallic paintwork light wear to matt paintwork	- Polish & Wax
Paintwork sealing	Gloss paint	- Hard Wax
Spot cleaning	Gloss paint	- Gloss Spray Wax - Quick Detailer

s cleaner with LIQUI MOLY

Whether for car, classic car, motorcycle, moped, motor scooter, ATV, camper, bus, van, truck or boat: Our care products are like wellness treatments for your vehicle and ensure its appearance, performance and function for many years. Crucial factors with which you can experience more driving pleasure and sustainably save costs.

Ausgabe 4/2021

PAINT

Intensive Car Cleaner

Quickly and completely removes grease, oil, fuel and other heavy soiling along with finish rust and flash rust. Intensive Car Cleaner has excellent wetting and penetration ability and is highly biodegradable.

500 ml, Part no.: 1546

Insect Remover

For fast, effortless insect remnant removal. For glass, plastic, paint and chrome. Gently and quickly softens insect soiling. Also perfectly suitable for pretreating before washing cars. Highly effective and biologically degradable.

500 ml, Part no.: 1543

Tar Remover

Highly effective solvent combination to remove sap and tar spots on automobiles, campers, motorcycles, bicycles, tools, etc. Tuned for high efficiency and paint compatibility.

400 ml, Part no.: 1600

Car Wash & Wax

For rapid paintwork care for intermediate use. Maintains, protects and restores the luster in one go. Effortlessly removes dirt and leaves no lime deposits. Facilitates leathering and enhances the vehicle's appearance by increasing the luster. Offers reliable protection against weathering and aggressive environmental influences.

1 l, Part no.: 1542

PAINT

Car Wash Shampoo

For a thorough car wash. Gentle on paint and makes it gleam brilliantly. With wash-active agents removes dust and oily or greasy contaminants without trace. Biologically degradable.

Tip:

Also ideal for cleaning wall tiles

Silicone & Wax Remover

Removes silicon and wax from paint, glass and chrome parts. Cleans car panes and removes wax drops after the car wash wax-wash. Provides good visibility after washing the car. Creates the right substrate before painting.

Scratch Stop

Silicone oil-free, universal grinding paste. The product is suitable for the removal of scratches, paint mist, traces of grinding and orange-peel surface on colored and metallic paints. The product is suitable for manual and mechanical treatment.

Grinding Paste

For easy removal of weathered and dull layers of paint, coarse contamination, paint spray dust, scratches and surface cracks. The treated surfaces can then be painted directly. Silicone-free. Suitable for polishing machines.

200 ml, Part no.: 2320

300 g, Part no.: 1556

PAINT

Paint Cleaner

Removes tar, dirt, grease spots and flash rust. Cleans and polishes. Brings back the original color depth. Equalizes slight scratches. Removes soiling and weathered paint particles. Cleans and smooths out the paints. When finished, the paint should be treated with LIQUI MOLY-Hard Wax. Suitable for polishers.

Tip:

Cleans perfectly:

- Stainless steel grills and sinks
- Fitness equipment

500 ml, Part no.: 1486

Paint Polishing Cream

Cleans, polishes and protects. For radiant gloss through carnauba wax. Offers outstanding protection against damaging environments. Evens out small hairline scratches and restores the finish gloss. Provides the paint with deep gloss. The original appearance of matt paintwork is easily restored. Its creamy consistency means sparing use.

300 g, Part no.: 1532

Polish & Wax

Cleans, polishes, protects and shines. With outstanding long-time protection. Even protects against harmful environmental influences. For radiant high luster. Cleans, polishes and preserves in one step. Regular use provides optimal paint care. Suitable for polishers. Especially for non-ferrous and metallic paints. Do not use on matt paints!

Tip:

Ideal for maintaining:

- Stainless steel surfaces
- High-gloss furniture
- Bathroom mixer taps

500 ml, Part no.: 1467

Gloss Polish

Due to its special composition, Gloss Polish easily evens out light scratches and freshens up the paint surface in a single process. The original gloss is easily restored to matt and weathered paintwork. After treatment, the paint surface clearly shows increased resistance to harmful environments.

Tip:

Also ideal for maintaining:

- Stainless steel surfaces
- High-gloss furniture
- Sinks

500 ml, Part no.: 1436

PAINT

Metallic High Gloss

Protects, treats and seals metallic paintwork against negative climatic effects. For a radiant gloss. With long-term weather protection. Repels rain and dirt over long periods and increases the paint's resistance to environments. Tiny particles of wax are deposited even in the finest of microscratches, which they fill up to leave a perfect paint surface. Suitable for polishing machines.

500 ml, Part no.: 1424

Hard Wax

Hard Wax protects new, finished paintwork from aggressive environments and frequent car washing. Hard Wax is easy to use and reliably protects paint surfaces from harmful effects over long periods while preserving their original sheen.

500 ml, Part no.: 1422

Gloss Spray Wax

Wax with good cleaning action and outstanding luster. Slight road dirt and greasy soiling are easily and quickly removed without causing scratching. The super-easy polishing (like wiping off dust) produces a smooth finish with high gloss and very good color depth on all paints and dye types.

Tip:

Perfect for maintaining high-gloss furniture or pianos

Quick Detailer

Highly effective gloss sealing spray with innovative protective formula. For quick, simple paintwork care without polishing. Removes light soiling such as dust or water spots and gives the paintwork a radiant deep sheen. Seals smooth paintwork for several weeks and provides an excellent water repellent effect and long-lasting protection against aggressive environmental influences. Maintains the cleaning finish for an extended period and reduces new dirt adhesion. With a pleasantly fruity mango scent.

NEW!

400 ml, Part no.: 1647

500 ml, Part no.: 21611

GLASS

Windshield Cleaner Foam

Highly effective foam cleaner. Promotes glare-free car windshields to increase safety. Dissolves and removes silicone, nicotine, insect, oil and greasy residues. Suitable for polycarbonate. Does not attack rubber, paints or plastics.

Tip:

Also ideal for cleaning:

- Mirrors
- Ceramic hobs
- Refrigerator shelves

Windshield Cleaner 1 : 10

Gives you a clear, smear-free view in seconds. Removes oil, silicone films and insect soiling. With citrus power. Phosphate-free and biodegradable.

Windshield Super-Concentrated Cleaner 1 : 100

Gives you a clear, smear-free view in seconds. Removes oil, silicone films and insect soiling. With citrus power. Phosphate-free and biodegradable.

Tip:

Also ideal for cleaning:

- Mirrors
- Ceramic hobs
- Refrigerator shelves

Fix-clear Rain Repellent

Reliable rain repellent for car windows and helmet visors. Provides better visibility and more safety, as raindrops roll off rapidly in the wind. Also suitable for easy removal of insects, ice and snow.

Tip:

Also ideal for:

- Greenhouse panes
- Shower cabins
- Winter gardens

50 ml, Part no.: 1517
250 ml, Part no.: 1519

125 ml, Part no.: 1590

GLASS

Windshield Cleaner Compact

Tab for cleaning windshields.

1 Piece, Part no.: 6925 apple

Windshield De-Icer

Special combination of active agents with ice-dissolving, cleaning properties. Quickly and gently removes ice and white frost from vehicle windows. Prevents immediate re-icing.

500 ml, Part no.: 6902

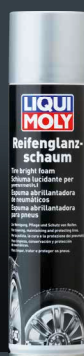

RIMS/TIRES

Special Rim Cleaner

With dirt indicator. For gentle and intensive cleaning of all aluminum and steel rims. Prevents stubborn re-soiling. Periodic rim care gives your rims luster and secures long service life. The rims will look like new. Effortlessly cleans and removes brake dust and other dirt. Special Rim Cleaner is highly biodegradable. Acid free.

Tire Bright Foam

Cleans, maintains and protects tires in a single operation. Optically enhances weathered tire walls and gives them back their original appearance and suppleness.

1 l, Part no.: 1597

400 ml, Part no.: 1609

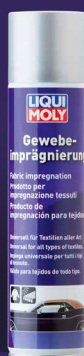

TOP

Convertible Soft Top Cleaner

Quickly, thoroughly and gently cleans most common contaminants such as oil and grease residues, soot, bird droppings, insect remains, road dirt, etc. from convertible soft tops. Is not aggressive on plastics made of polycarbonate and rear windows of PVC, even when used frequently. Thanks to the antistatic components, the electrostatic attraction of dirt particles is diminished, the adhesion is reduced and the removal is simplified.

500 ml, Part no.: 1593

Fabric Impregnation

For optimal moisture protection. The fabric remains supple and breathable. Protects from stain formation caused by oil, grease and dirt. Silicon-free.

Tip:

Also impregnates:

- Backpacks
- Sneakers
- Sun sails
- Outdoor jackets
- Fabric upholstery on chairs

400 ml, Part no.: 1594

RUBBER

CHROME

Rubber Care

Maintains, cleans and beautifies door, window and trunk seals and tires. Prevents freezing-up in winter. Keeps rubber parts elastic and extends the service life. Also ideally suited for maintaining and deep-cleaning car tires and rubber mats.

Chrome Gloss Cream

Bright Chrome Polishing Cream has been specially formulated to thoroughly and gently remove rust, flash rust and blank spots from chromium parts and decorative metals. Bright Chrome Polishing Cream preserves all chromium and decorative metal parts with a protective film and restores their original brilliance.

Tip:

Also ensures brilliant results for:

- Washbasin mixer taps
- Chrome seating frames

75 ml, Part no.: 7182
500 ml, Part no.: 1538

250 ml, Part no.: 1529

INTERIOR

Active Foam Cleaner

Highly effective universal foam cleaner for effective cleaning of various materials. Effortlessly cleans smooth surfaces without leaving behind streaks or smudges thanks to the active formula. Also ideally suited for vertical surfaces thanks to the foam's good adherence.

Tip:

Also ideal for cleaning:

- Mirrors and glass surfaces
- Upholstery and carpets
- Mouse and keyboard

Orange Power Cleaner

Universally applicable power cleaner that contains, among other things, orange terpenes made from 100 % renewable raw materials. With its biodegradable solvents made from orange oil, quickly and easily removes even stubborn dirt such as adhesive residues, oils, greases, silicone, rubber abrasion, waxes, tree resin, tar, bitumen, waterproof felt-tip pens or graffiti without leaving an oily film. Leaves a pleasant orange scent.

NEW!

500 ml, Part no.: 21277

400 ml, Part no.: 21667

Car Interior Cleaner

Cleaning liquid for intensive, gentle and fast cleaning of plastic parts and fabrics and trims in the vehicle interior. Thoroughly removes oil, grease, nicotine and other soiling. Especially suitable for removing beverage and candy leftovers and nicotine residue.

Tip:

Reliably removes jam or honey stains from smooth surfaces

500 ml, Part no.: 1547

Super K Cleaner

Powerful universal cleaner. Thoroughly and gently removes sooty, dusty, oily and greasy soiling as well as brake dust, insect remains and bird droppings. If used properly, does not attack metals or plastics [*exceptions: polycarbonate and PMMA], wood, glass, rubber, cured paints or textiles.

250 ml, Part no.: 1682

INTERIOR

Cockpit Bright

Renews dull and weathered plastic. The plastic parts regain their original appearance and do not dry out. Prevents bothersome creaking and squeaking noises. Cares without greasing, is antistatic and dust-repellent. Good lubrication action on rubber and plastic parts, impregnates and insulates, general use. Contains silicon.

200 ml, Part no.: 1510

Cockpit Bright XXL

Renews dull and weathered plastic. The plastic parts regain their original appearance and do not dry out. Prevents bothersome creaking and squeaking noises. Cares without greasing, is antistatic and dust-repellent. Good lubrication action on rubber and plastic parts, impregnates and insulates, general use. Contains silicon.

600 ml, Part no.: 1610

Cockpit Care

Gives a matt-silky gloss back to dull plastics. Deep penetration into the plastic ensures long-lasting action. Cares for and protects without greasing. Cockpit Care is antistatic so it is dust repellent. Plastics treated with Cockpit Care look like new again. Prevents squeaking and creaking.

Tornador Gun

Special compressed air cleaning gun for removing contamination in problem areas. The characteristic tornado effect effortlessly lifts dirt by means of the suction produced. Ideal for the 2-minute treatment during customer service.

300 ml, Part no.: 1598/vanilla
300 ml, Part no.: 1599/citrus

1 Piece, Part no.: 29077

INTERIOR

Universal Cleaner

Concentrated universal cleaner that can be diluted with water for cleaning walls and floors as well as for use in high-pressure and spray appliances. Phosphate-free, silicate-free and solvent-free and biodegradable. Depending on the use mixing ratios up to 1:2,000.

1 l, Part no.: 1653

Speed Air Freshener

Promotes sporty fresh air. Open the bag and hang the air freshener in a suitable place. The effect lasts for several weeks.

1 Piece,
Part no.: 1661 (lemon),
Part no.: 1664 (sport fresh)

Air Freshener Decoration Girl

Promotes fresh air.

Klima Refresh

Quickly frees the air conditioning of unpleasant odors that are caused by bacteria and mold in air conditioning systems, ventilation ducts or vehicle interiors. Simple to use without removal of the pollen or dust filter. Promotes a pleasantly fresh aroma.

1 Piece, Part no.: 1698

75 ml, Part no.: 20000

INTERIOR

Upholstery Foam Cleaner

Active foam cleaner that quickly and gently removes dirt from upholstery, velour, carpets and automobile fabric covers. Does not leave any dirt rings. The upholstery colors will look like new. With nonallergenic citrus aroma.

Tip:

Ensures perfect cleaning of:

- Sneakers
- Sofa cushions
- Jackets

Leather Care

High-quality emulsion for the care and cleaning of smooth and imitation leather. Preserves structure, grip and elasticity of the leather and protects against dirt and wear. Smooths older as well as slightly worn leather surfaces and gives them a silky matt shine. Regular application enhances the appearance of the leather, prevents premature fading and extends the life of the material.

Tip:

Also protects and cares for:

- Leather furniture
- Leather gloves
- Jackets

300 ml, Part no.: 1539

250 ml, Part no.: 1554

PLASTIC

One for all Deep Treatment

Universal agent for cleaning, preservation, care and protection. Gives even heavily weathered plastic surfaces a silky matt shine thanks to highly concentrated care products. Repels dirt, dust and water and provides food long-term protection. Contains silicone.

Plastic Deep Treatment Lotion

Cleans, maintains and protects all plastic and rubber components and freshens them up again. Penetrates deep into the plastic, ensures optimum long-term protection and ensures a silky matt sheen. Anti-static and dirt-repellent. Contains silicone.

250 ml, Part no.: 1650

250 ml, Part no.: 1537

PLASTIC

Plastic Deep Treatment

Cleans, maintains and protects all plastic and rubber parts and freshens them up. Deep penetration into the plastic ensures long-lasting action. Acts antistatic and dirt repellent. For a silky gloss. Also perfectly suitable for plastics in the house, hobby and garden area. Contains silicon.

500 ml, Part no.: 1536

“Like new” Plastic Care (black)

Protects, maintains and improves the appearance of extremely faded plastic parts on the vehicle exterior. Ensures comprehensive plastics processing in a single operation. Provides optimum protection against aggressive environmental influences and UV radiation. Contains silicone.

250 ml, Part no.: 1552

LUBE & CARE

Multi-Spray Plus 7

Multi-functional spray with 7 performance benefits: 1. Suppresses moisture and starts wet motors. 2. Protects the electrical system and eliminates creep currents and short circuits. 3. Loosens rusted screws. 4. Keeps movable parts free and functional. 5. Protects against corrosion and oxidation. 6. Maintains rubber parts; no freezing-on. 7. Prevents squeaking noises. Does not attack plastics, paints, metals and wood.

300 ml, Part no.: 3304
500 ml, Part no.: 3305

LM 40 Multi-Purpose Spray

Combination of active agents with corrosion protection, rust removing and water displacing properties and outstanding lubricating effect. Also improves electrical conductivity at contacts and removes dirt and stubborn oil and grease residues. Keeps moving parts in all areas from seizing up. With a pleasant aroma thanks to coconut fragrances.

50 ml, Part no.: 3394
200 ml, Part no.: 3390
400 ml, Part no.: 3391

LUBE & CARE

Door Lock Care

Specifically developed for lubricating and maintaining installed lock barrels and ignition locks. Use this care spray to keep movable parts permanently free and to deice frozen door locks.

Silicone Spray

Silicone Spray is a mineral-oil free, grease-free release agent, lubricant and protective coating based on silicones dissolved in chlorine-free solvents. Silicone Spray protects, lubricates and insulates all surfaces by means of a transparent, permanent protective film.

Tip:

Also ideal to use for:

- Zippers
- Roller shutter tracks
- Fitness equipment with cable pull
- Rubber seals

50 ml, Part no.: 1528

300 ml, Part no.: 3310

SPONGES & TISSUES

Car Washing Sponge

Especially absorbent – gentle on the paint. Durable and tough.

1 Piece, PU 12, Part no.: 1549

Natural Car Cleaning Leather

Chamoised soft automobile and window leather. Especially absorbent. No streaks and beading traces. Natural product. Not suitable for detergent or automobile shampoo. Do not put in a bag when wet or expose to heat and sunlight. Use washing soap to clean the leather.

Insect Removal Sponge

Easily and gently removes insects and dirt from glass, paint and plastic. Thoroughly and without scratches. With two different material sides.

1 Piece, Part no.: 1548

1 Piece, Part no.: 1596

SPONGES & TISSUES

NEW!

Microfiber Cloth

Microfiber cloth for cleaning all surfaces without using chemicals. For cleaning, can be washed up to 95°C without fabric softener.

Polishing Microfiber Cloth

High-quality, long-fiber, particularly fluffy microfiber cloth for lint-free polishing out and wiping off of care products and polishing residues. Reliably absorbs wax and polish residues and ensures a brilliant deep sheen without streaks, smudges or cloudiness. Borderless due to a special weaving process to avoid scratches on sensitive surfaces. Washable and therefore extremely long-lasting.

1 Piece, Part no.: 1651

1 Piece, Part no.: 20649

CARE

Car Care Set

consisting of:

- 1 x Window Cleaner Super Concentrate
- 1 x Microfiber Cloth
- 1 X Cockpit Care Citrus
- 1 x Gloss Spray Wax
- 1 x Super K Cleaner

1 Piece, Part no.: 1681
